Course Familiarization and Warm-Ups  Handlers in all classes are permitted to walk the course without a dog prior to the start of the class as directed by the judge to plan their strategy. Judges briefing will outline the course and answer handler questions. A warm up will be provided for each ring.

Measuring and Height Card Information  When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List.

Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24” height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor’s responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Height Divisions  Judges reserve the right to measure dogs without a valid height card. The owner may choose to enter their dog in Preferred classes and Regular classes at the same trial. A dog may only be entered once in each class offered. They may not enter a class in both Preferred and Regular.

If a dog is entered in Preferred and Regular classes the owner must submit two separate entry forms, one for Regular classes and one for Preferred classes.

After the close of entry for a trial a dog may not be moved between Regular and Preferred classes except as noted in Chapter 1, Section 21.
